My Favourite School Event

My favourite school event is Sports Day. It is on the third of November. We have this event because we can relax and have fun together. Sports Day is for all students and teachers.

This event is held in Aberdeen Sports Ground. We have track and field events. Students can play together on this day.

I will join the bean bag game and 100m race. I like Sports Day because I like cheering for my schoolmates and I love sports.
